

## PROFESSIONAL SERVICES

Ntracts is here to assist in evaluating your processes, to see what is working, what is not, and what changes could be applied to further drive compliance and efficiency.

### ABOUT US

Ntracts delivers a comprehensive contract management solution through a unique combination of healthcare, technical, and legal expertise matched with a user-driven online contract management solution that mitigates compliance risk, achieves cost savings, improves efficiency, and ensures healthcare organizations stay in front of changing regulations. Our experts certified in healthcare compliance can help you.

### WHY CHOOSE US

- ✓ Executive team with over 50 years combined experience in healthcare contracting
- ✓ Guided by Hall Render, a renowned nationwide healthcare focused law firm
- ✓ Over the past 30+ years Ntracts has maintained a client retention rate of over 99%

#### Contracting Process Improvement

Complete analysis of existing contracting processes, workflows, and documentation and interview of key personnel to identify gaps with best practices. Our clients engage with us for this effort to aid in identifying opportunities for mitigation of risk of non-compliance with regulatory and governance requirements, gained efficiencies, reduction of revenue leakage, and increased speed to value.

#### Contract Gathering / Abstraction

Gather additional contracts and abstract key dates, clauses, options, and other pertinent information from paper contracts on a one-time basis or as a recurring service. Our clients engage us to drive speed to value, gain efficiencies, ensure contract transparency, and decrease risk of data discrepancy by creating a single source of truth for contract management.

#### Database Audit / Assessment

Perform audit of contract data and Ntracts solution utilization to identify opportunities for increased data integrity and Ntracts feature utilization.
